City of San Diego  
202 C Street  
San Diego, CA 92101

**Subject:** Disrepair of Streets in Rancho Bernardo

Dear Councilwoman Marni von Wilpert;

The Rancho Bernardo Planning Board Traffic and Transportation Subcommittee reached out to the community to compile a list of streets that are in desperate need of repair.

The meeting was held on Monday, Dec. 4, 2023 which was attended by around 40 community members. These community members expressed a great deal of frustration and described what it is like to live on or regularly travel on these streets in desperate need of fixing. Attached is a list of streets that have been identified throughout our community as streets in particularly need of repairs.

The Rancho Bernardo Planning Board requests that you review this list and reprioritize work as needed to get these streets the urgent repairs they desperately need.

Sincerely,

*Robin Kaufman*

Robin Kaufman  
Chair, Rancho Bernardo Community Planning Board

Street	Intersections/Addresses	Comments	Name/Address/Phone (optional)
<b>Acebo Pl</b>	Pastoral	4" pavement break-apart, ruts for bikes	Linda Vaughan Julie Condid 760-708-6209 Steven Galhart
<b>Almendro Lane</b>	From 17957 to Andanza Way		
<b>Andanza Way</b>			
<b>Avenido Venusto</b>			
<b>Bernardo Center Drive</b>	from Hwy 15 to Westwood	Need clarification on this one	
<b>Box Elder Way</b>			
<b>Camino Murillo</b>	17760 Caminito Murillo	Entire street needs repair (about 375 feet). Repaving is needed more than repair, due to the heavy traffic this street carries, particularly delivery trucks	William McCubbin
<b>Carmel Mountain Rd</b>	between Camino Del Norte and I 15	Our city councilmember knows about this one, has talked about it in many occasions.	
<b>Carnton Way</b>		Nothing has been done for years; keeps getting passed over	
<b>Cumana Terrace</b>			
<b>Fernando Way</b>			
<b>Frontera Road</b>	Near 12316		
<b>Hispano Dr</b>		The street is treacherous and we don't have ADA approved corner curbs, no ramps, and it's very dangerous for seniors and citizens with disabilities	
<b>Lomica Dr</b>			Dennis Jaich
<b>Maturin Dr</b>		Recently, both Turtleback and Maturin (along with several other streets) have had gas lines installed with horrible patchwork left. We noted that Bernardo Heights Road had been repaved multiple times, not just spot treated, but repaved. It's not fair that political contacts will get streets done over and over again when they don't need it and others aren't fixed for 20-30 years	
<b>Meandro Rd</b>	12327 Meandro Rd	Meandro Rd, Meandro Dr., and Meandro Ct. all have issues	Denise Garcia G Gardner
<b>Mirasol Drive</b>		And it's cul de sacs (Mirasol Pl, Mirasol Wy, etc.	
<b>Obispo Rd</b>	entire road	Asphalt eroding, large potholes. Hasn't been fixed for 60 years	Susan Hill
<b>Pinata Dr</b>	16857 Pinata Dr		Marge Martinez Linda Dembrosa Greg England
<b>Poblado Rd</b>	From West Bernardo Dr. to Matinal Dr	The street needs an overlay. Slurry seal will not be sufficient to correct its numerous problems. Potholes of all shapes and sizes, large cracks, numerous "patches" that have made the surface uneven, etc.	
<b>Rancho Bernardo Rd</b>	from Bernardo Center Dr to Pomerado Rd		
<b>Rios Rd</b>	Bernardo Oaks	3" deep potholes	Belinda McNally Barb Lemeine
<b>Rosedown Place</b>		In Eastview, one of the worst streets in Rancho Bernardo. Needs significant repairs	Tali Barbosa TTBARBOSA@san.rr.com
<b>Sensillo Ct</b>	entire road	Asphalt eroding, large potholes. Hasn't been fixed for 60 years	Susan Hill
<b>Sensillo Drive</b>	entire road	Asphalt eroding, large potholes. Hasn't been fixed for 60 years	Susan Hill
<b>Turtleback Road</b>		Recently, both Turtleback and Maturin (along with several other streets) have had gas lines installed with horrible patchwork left. We noted that Bernardo Heights Road had been repaved multiple times, not just spot treated, but repaved. It's not fair that political contacts will get streets done over and over again when they don't need it and others aren't fixed for 20-30 years	
<b>Valladares Drive</b>			
<b>Verano Drive</b>			
<b>Viceroy Dr</b>			
<b>Windrose Way</b>
