SUBJECT: Proposed Land Use Regulations and Permit Process for Mobile Food Trucks

Dear Mr. Vacchi:

At the December 19 meeting of the Rancho Bernardo Community Planning Board, the Board reviewed the proposed Land Use Regulations and Permit Process for Mobile Food Trucks and after some discussion approved by a vote of 10 to 0 a motion to recommend to the City Council that the proposed regulations and permit process be approved. The Board would also like to acknowledge those staff members involved in the development of the draft regulations, as it is clear that they conducted a comprehensive analysis of potential issues. The proposed regulations address issues in a manner that facilitate mobile food truck operations in the City while also ensuring compatibility with surrounding uses.

The Planning Board also appreciates the opportunity to review and provide comments on the proposed regulations.

Sincerely,

Richard House, Chair
Rancho Bernardo Community Planning Board
